Dear Community Supporter:

For the past 17 years, the Encinal High School Athletic Boosters have organized the Annual Crab Feed Dinner and Auction. All profits from this event go towards athletic programs at Encinal High School. This event has over 400 attendees annually from Alameda and all across the Bay Area. The EHS Athletic Boosters provide funds for such things as transportation, uniforms, balls and equipment, tournament and referee fees, and field maintenance. Any and all proceeds made from donations to the Crab Feed will go to the Booster General Fund which is used to support all athletic programs equitably. Our school relies on the generosity of our community businesses to support all athletic programs. Last year, over 50 local businesses made generous donations to support our cause. In these times of economic hardship, while it is difficult to once again ask for your help, it is even more important that we can come together as a Community to support our children's schools and the activities that they can participate in. The positive impact your contribution has can be huge!

This year our 19th Annual Crab Feed Event is scheduled for Saturday, February 24th, 2018 at the Albert H. DeWitt "O' Club" at Alameda Point.

If you would like to make a donation, please feel free to contact us. We will be glad to pick up your item(s). With gratitude of any donations we will include an acknowledgment in our auction brochure, on our Thank You poster and slide show to be displayed on our website www.encinalboosters.org and at our Auction Event. Thank you very much in advance for your help in making this event an annual success.

Sincerely,

Chair of Acquisitions and Donations admin@encinalboosters.org
