

What does membership in the Athletic Boosters mean?
To your student athlete's sports team?
To Encinal High School?
To your Family?

The membership fees paid to EHS Athletic Boosters will help support all athletic programs. The fee is \$20 per student per sport. You may pay for multiple sports and make direction donations to your athlete's sport to help the team's fundraising efforts. 100% of all donations go directly to the team you indicate.

In the past the Athletic Boosters have added scoreboards, built and maintained a permanent snack bar at the multi-sport field, purchased and maintained a fleet of vans for the sports teams' transportation, paid for sport's officiating, supplemental disseminated maintenance budgets to repair and improve fields, courts, grounds and sponsor the annual sports' banquet and athletic scholarships. As an effort to provide and equitable distribution of Booster funds, EHS Athletic Boosters will be donating a substantial portion of the WACC dues for all teams.

Your student athlete(s) and your family become members in the EHS Athletic Boosters community. Together we **must** work to raise money to continue building upon our sports' programs and the needed facilities, equipment and fundamentals. As a member, you and your student will be called upon to help raise funds, make decisions about where and how the funds are equitably spent, and to bring your "can do" volunteerism to Encinal High sports' programs.

For question and volunteer opportunities please attend the Boosters' meetings:

The 3rd Wednesday of each month, **6:30pm** at Pier 29 Restaurant,
 1148 Ballena Blvd. Alameda, CA 94501 (510) 865-5088 unless otherwise noted
 or contact us at encinalboosters@gmail.com
 or Lani Molina, Athletic Director at the Alameda administrative offices.

Thank you very much for your support of all our students at Encinal High School!

Membership Form
